CarIC is expanding into a new, state of the art datacenter managed by 1Vault Networks. Top providers include Qwest, Level3, and NTT. Facility features include triple redundant UPS systems and Generators.

In our quest to provide the best possible service for the most cost effective price, **CarIC** has expanded services into [1Vault Networks](#) datacenter. Using part of the 22,000 square foot massive center for **CarIC** will help continue to provide the superior uptime **CarIC** customers have come to expect.

Please feel free to contact us at sales@carlc.com or (954) 678-6545 if you would like a tour of this amazing facility.
